

=== Weekly Team Report (Team 25: Stylin') ===

Name: Richard Jung

Week 1 (Plan)

- | | | |
|--------|---------|--|
| 02/12: | 3 hrs | Downloading, installing, and becoming familiar with the necessary environment tools for our software. |
| 03/15 | 1.5 hrs | Discuss with Tiger regarding all of the user interface components that are needed for our software. |
| 03/16 | 2 hrs | Discuss with the rest of our group regarding what the user interface will look, ask for the necessary user interface components that need to be implemented. |
| 03/17 | 2 hrs | Implement the most essential components of our user interface. This includes user login, registration, and overall aesthetic of software. |
| 03/18 | 2 hrs | Discuss the rest of the UI components that must be implemented, divide work for the implementation of the UI components. |
